It was fun visiting with the many attendees, including newcomers like Richard Lynch from San Rafael. Richard has a long time connection to Larkspur through a business he once ran here. Auxiliary News - Pauline Angleman

We recently received the following letter: I would like to thank everyone who has donated to the Support Our Troops project and everyone who has packed "I care" packages since the Auxiliary took over this project from the Legion some years ago. However, effective April 2nd I will no longer be able to serve as the Chairperson of the Unit 313 Support Our Troops program.

The Support Our Troops program will continue. President Angleman has made plans and will see that any donations received are divided between Auxiliary members Brenda McKown, Elena Bartley, Donna Ford, and any other member who also regularly send packages.

Again, I want to say thank you to everyone who has helped on this project over the past years. Know you made life a little easier for fellow Americans in harm's way. I am proud to say that 100% of your donations were used to send supplies to individuals on the front lines where it was needed the most. I hope you will continue to contribute to the Auxiliary to help pay for postage and supplies. Any amount is appreciated. Currently the number one request is for food items. Our troops still need us. - Barbara Fugate.

Next Meeting: March 8, 12 noon. Club Room.
