Commander Bob Means

Hello Troops,

Parking lot project is completed. Your unique Post now has even more visibility. The new flag pole location will enhance our entry.

Our Annual Veterans Free BBQ, Labor Day, Sept 7th is coming up. Pauline's (107) birthday dinner is approaching. We'll have our Veteran's Appreciation dinner Nov. 11th. And looking into the future, our Post will be hosting our District V meeting. Volunteers are always welcome.

Our Hall rentals continue to be popular with bookings as far out as next June. Don't be shy encouraging others to consider the facility for their special events.

To support our efforts at improving our physical plant, we are amending our bylaws to allow us to secure a Line of Credit. Please review the changes posted on the Clubroom bulletin board for a vote at our October General Meeting.

In closing I would like to see more members at twice weekly coffees, General Membership meetings, Post activities and looking to get involved to help us continue our mission.

First Vice Commander Tom Beck

Summer is drawing to an end. I hope everyone has got in one good vacation.

For membership, it's early, but we already have a 119 renewals. Keep them coming in!

My door is always open.

AMERICAN LEGION DEPARTMENT OF CA UPDATE

It has been just about a month since the California Department took possession of its new building in Sanger, and also began the process of transitioning to a new Dept. CA website and Facebook page.

As of Sat., 08-August, 2015, Dept. CA had completed the physical move from offices in San Francisco to the new office in Sanger; Dept. CA no longer has a physical presence in San Francisco.

Here's what Dept. CA has been doing and what we will be doing:

Forwarding address to the Sanger location given to the SF Post Office – forward good for six (6) months

Phones have been changed out and new numbers available

Physical office equipment to be kept, and all items in storage, have been moved to Sanger space

Remodel of the former bank building is now underway;

The parking lot has been completely resurfaced and restriped;

New bathrooms with new fixtures are now being installed;

Office furniture is being ordered (almost brand new from a wholesaler to reduce costs)

An office layout plan has been prepared, and is currently being finalized;
