PAULINE'S BIRTHDAY THURSDAY OCTOBER 4

Pauline's Birthday will be upon us in a few days, Thursday October 4 to be exact. We want to welcome all who will come to the Hall of Post 313 to celebrate this remarkable woman. Thanks to Elena Bartley and the rest of the Auxiliary for helping organize this event, to Tad Craig and his wife Elena for manning and womanning the bar, and to Bob Gonzales and Bill Brennen for helping take all the reservations. We look forward to hearing Jackie Tribolet's latest epic poem on this occasion and to meeting all the family, friends and admirers who will attend. There may be a few new people from other parts of American Legion District 5 so if you see someone you don't recognize, go ahead, introduce yourself, and welcome them to Post 313.

MEETINGS

We will hold the combined General Membership and Executive Committee meeting on Monday, October 1, after coffee at 9:30 am. There are a number of things to discuss, including making a decision on how to rebuild some of the decking leading to Joanie's hair salon. We have had two bids and will be trying to make a decision and get this work done quickly before any rain. We will hold the next Post 313 breakfast on Saturday, October 13 at 9 am in the clubroom.

Some of our members will miss meetings this month: Tom Berns will be returning to the United States Naval Academy for the 50th reunion of his Class of 1968. Glad you will represent Post 313 on the banks of the Severn. A recently more active member, Steve Hahn, a former member of the Old Guard, will represent Post 313 at a unit reunion with the National Commander of the American Legion, Brett P. Reistad of Post 270 in McLean, Va.

LAST MONTH

On September 25, Bill Brennen, Tom Berns, and Kit Kubitz attended The Marines Memorial commemoration of the Korean War at which Post 313 friend Carolyn Jacobs, right, accepted a medal from the

South Korea Consul for San Francisco posthumously awarded to her husband for his service caring for Korea-wounded Marines .

Last month, a commemorative step for Post 313 was installed on the second flight of the Dipsea Steps in Mill Valley. This will be a permanent memorial of the American Legion and Post 313 for all who hike or run the Dipsea steps and trail. A photo of the Post 313 step is displayed below.

Post 313 also sent about 15 boxes to troops in Af-

ghanistan, Iraq, Kuwait, Syria, Jordan and aboard ships around the world.

MEMBERSHIP AND HISTORY

Adjutant Bob Gonzales attended the District 5 American Legion meeting in Dixon and saw a presentation about electronic processing of membership records. In the near future, all membership renewals and dues will be electronically transmitted to the national Legion. Thanks to all the members who have renewed their membership for 2018-2019.

The history of the American Legion is being celebrated on its Centennial with a story in the latest September Legion Magazine on its founding by twenty WWI officers in a Paris meeting. Many had trained at Plattsburgh in upstate New York. This training prepared men for the coming war under the inspiration of Theodore Roosevelt and Leonard Wood. Today we have Veterans from many wars: WWII, Korea, Vietnam, Grenada, Iraq, and Afghanistan. But the pillars of the American Legion are the same: Veterans, Defense, Youth and Americanism. Thanks to the support of all members,

Legion posts provide support to hurricane victims, first responders

Hurricane Florence has resulted in heavy rain, massive flooding and devastation in North and South Carolina since it made landfall on the East Coast on Sept. 14. As support is needed for hurricane victims, as well as soldiers and first responders deployed to aid in evacuations and clean-up efforts, American Legion posts have opened their doors to serve as donation centers, shelters and sources of encouragement.
