## Commander Kit Kubitz

After a busy year, what will 2020 hold for Post 313. We will start with a General Membership meeting and Executive Committee meeting on January 6 at 9:30 am after coffee. The next weekend, we will have the first Post 313 Breakfast January 11 at 9 am for Veterans and guests. Thanks Bob, Tom and Bob for continuing to make this event great. Meanwhile the Post continued to make steps toward greater community service, support for Veterans and troops downrange, and financial stability.

With membership at 104, the Post achieved 83% of our membership goal as of the last of 2019. Thanks to Office Manager Leslie Barker for implementing membership renewals under the new system of the American Legion. Leslie took some deserved time off at the end of the year but will begin processing more renewals right after New Years. Remember you can always renew your American Legion membership on line. Also remember that due to recent federal law changes all service members who have served since Dec. 7, 1941 are eligible for American Legion Membership.

Thanks to Tom Beck and Bob Rogers for repairing the tiles in the entrance to the bar back area, continuing the improvement and maintenance of Post facilities. See the picture below of Tom helping prepare the new area of black and white tile. With other new facilities like a top line piano and a projector attached to the beam of the hall, we can consider a variety of new rental opportunities, such as music recitals or video presentations. We will be reaching out to the Marin music community to advise them of these new additions to Post 313's hall.
